

**For families of young children with visual impairments and their early intervention/education team.**

- Each 30 - 45 minute virtual seminar offers a lecture and a Q&A session
- All seminars take place on the second Tuesday of the month  
from 4.00 - 5.00 pm PST

### **January 10 - Guide Dogs of America**

Join Greg Steinmetz for a presentation on requirements for acceptance to the GDA Guide Dog Mobility program, benefits of guide dogs, and answer any questions about working with a guide.

### **February 14 - Feeding**

Join Cindy Esquivias, MS, CCC-SLP for a presentation on common feeding challenges that children with vision impairment may face, as well as tips on how to repair mealtimes. This presentation will be followed by a Q&A.

### **7 de Marzo alas 10 am PST - Parentpower-Presentado por Kidpower!**

En este taller en línea solo para adultos presentado pro Kidpower International (kidpower.org), aprende habilidades de seguridad social emocional para ayudar a los niños de 0 a 7 años que son ciegos o deficientes visual.

### **March 14 - Parentpower Presented By Kidpower!**

In this adults-only workshop led by Kidpower International (kidpower.org), learn social emotional safety skills to help children aged 0 - 7 who are blind or partially sighted be safe from bullying, abuse, and other harm.

### **April 11 - Sensory Processing**

Join Annette Richardson OTR/L in her talk on how loss of vision impacts a child's sensory systems, learning and behaviors.

### **May 9 - Sleeping**

Courtney Palm, LMFT will share her insights into sleep disturbances in infants and young children with visual impairments.
